

IMPORTANT NOTICE

On Friday, June 2 we are dismissing classes at 2:00 PM and there will be NO PM BUSES available.

Any students who are NOT planning to attend the graduation ceremony need to be picked up at 2:00. Students who cannot be picked up at 2:00 should plan to attend graduation and may be picked up at 5:00 PM.

STAFF LUNCHEON

One of our parent Board members has offered to organize an end-of-year staff luncheon for us, to be held on Thursday June 15 at 12:30 PM. Anyone who would like to contribute money for this meal can send their cash or check to school in an envelope marked "Staff Luncheon" which should be turned in to Mrs. Roberts at the front desk. (Checks are made out to Spark Academy, please.)

If you are interested in helping out in some other way, please reach out to Sarah Carter at saffronandclove@gmail.com. Thank you!

YEARBOOKS

The yearbooks are in and will be distributed before Awards Day on June 7. Any student who did not place a pre-order will be able to purchase one at the full price of \$30.

PIZZA FRIDAYS

Some of the fourth-year students have been raising money to cover graduation costs. After today there is just ONE Pizza Friday left! Spark Academy would like to thank Domino's Pizza on Amory Street in Manchester for helping us support our seniors.

FIELD DAY WAS GREAT

Thank you to the Student Council Activities Committee and their advisor, Ms. Minery, for all the planning and hard work to make this year's Field Day a success. We grilled hamburgers and hotdogs for lunch, tie-dyed some shirts, and played capture the flag, flag football, kickball, and tug of war. A great time was had by all! Thanks to everyone who sent in food and supplies for Field Day, too.

MARK YOUR CALENDAR

- ✓MAY 23 – MCC Graduation, 2:00PM @Fisher Cats Stadium
- ✓MAY 29 – No School
- ✓June 2 – Spark Academy Graduation, doors open at 3:00PM @MCC MPR
- ✓June 6 – NH Gives kickoff, 5:00PM
- ✓June 9 – Last day of Spark Classes
- ✓June 12 – Spark Academy Golf Tournament, Pembroke Pines

TUTTLE THOUGHTS

The year is coming to an end, and it is very exciting to share the news that 7 of our students will be graduating from Manchester Community College on Tuesday with an associate degree in advanced manufacturing!! We will also have another 2 students earn that degree during the summer. I am so proud of all the work that these students have put in to get to where they are today. This is not an easy task.

To get to this point each student had to set a goal and put in the effort to reach that goal, even when times were tough. Life is not always easy and anything worth doing takes work and effort. This is something that we try to teach students at Spark Academy. You can achieve almost anything as long as you are willing to put in the work. There are classes that we have that are very challenging so that students have the opportunity to step up to the challenge and learn how to put in the effort to reach that goal.

Building character, having a good work ethic, and developing self-advocacy (“learning to use your voice”) are three key areas that we focus on at Spark Academy. This year's twenty graduates have all learned these lessons to help them achieve their goals and that is why I am so proud of this graduating class. Please come and celebrate all of them at our graduation on June 2 at 3:00pm in the Multi-Purpose Room at MCC.
