

igniting your purpose!

August 1, 2019

Dear Parents,

It has been another busy week for us at Spark! We had a chance to meet with representatives from the Manchester School District and Manchester Transit Authority regarding possible busing for Manchester students to and from Spark. I have to say that these folks were more than helpful! Manchester students will be picked up at their neighborhood's pickup/drop-off spot. We will get information to you as to the time for pickup as soon as it is available. Information regarding routes, etc., will be coming soon.

Our first class will begin at 8:00. Therefore, we would like students to arrive to school by 7:45 and be in their first class by 7:55. Our last class will end at 3:00. The bus will arrive at Spark somewhere between 3:15 and 3:30.

\*\*\*\*\*

This newsletter includes the Spark 2019-2020 Spark Calendar. It coincides exactly with the Manchester School District Calendar, but it's always nice to have our own copy.

---

**Please Note: Our first day of school will be Wednesday, September 4th. Students should arrive as they would for a regular day of school; dismissal will be at 3:00.**

---

I want to thank everyone who attended our Open House last night, the most well-attended open house so far. We are now very close to our threshold of 30 students for the upcoming school year! We are all looking forward to a great year as Spark opens its doors.

Once again, we all hope you're having a great summer. We'll see you soon!

Denis Mailloux
