TUT TUT, LOOKS LIKE RAIN: A SHOWER OF UPDATES FROM THE DIRECTOR

I wanted to just take this moment to wish you all a happy and safe holiday break. I would also like to send out a special thank you for all the family support that we have

received this year. Your generosity is greatly appreciated, and you are all a key to helping Spark be what it is.

Also a special thank you to all of our staff. Your dedication to every student's success is crucial to our success. The time that you put into every activity and lesson is seen by all. Please have a safe and wonderful holiday and I look forward to seeing you all back in the new year.

As we move forward into the new year, I am excited at the thought of our first graduation and the opportunity to meet all of our potential students for the 2023-24 school year.

Happy Holidays to all!
